Capability Statement

Reliable supply, delivery, and support services for federal, state, and local customers

Company Overview

UPRO Solutions LLC is a Fort Worth, Texas small business that helps government customers get simple, well-defined jobs done on time and within budget. We focus on one-time and short-term services, deliveries, and purchases, backed by trusted local partners who let us perform in Texas and across the country.

Core Competencies

- Transportation and delivery: on-time delivery of goods and equipment to government facilities, with tracking and proof of delivery
- Janitorial and custodial services: one-time and recurring cleaning for offices and facilities
- Removal and disposal: debris, trash, and bulk item removal and hauling, performed in line with local requirements
- Supply and procurement: sourcing commercial products at competitive prices, including brand-name-or-equal items
- General support services: short-term and one-time projects with a clear scope, schedule, and quality control

Differentiators

- Fast, accurate quotes: we respond to RFQs quickly and follow solicitation instructions exactly
- Flexible coverage: based in Texas, able to travel and perform nationwide through trusted local partners
- Low overhead: lean operations mean competitive, fair pricing
- Clear communication: one point of contact from quote through delivery and invoicing
